**Netto price: 178.409 HUF**

## Description

Open Art is a synchronous mechanical, elastic mesh covered executive chair with an ergonomic backrest, headrest, height-adjustable lumbar support. The Body-Balance-Tec® backrest attachment method provides optimal movement for the back - providing continuous support for the spine. The ergonomic seat shape and the weight-adjustable, extra-high-angle synchronous mechanism ensure perfect comfort! The synchronous mechanism can be locked in its very first position. The color of the mesh fabric of the backrest is matched to the color of the seat (T24, T28, T31, T33, T34, T35, T38, T39 and S01, S03, S04, S05, S07, S08, S14, S18, S19 fabric when choosing fabric). With shiny aluminum foot star, height-adjustable armrests. The price includes height-adjustable armrests.
