99.582 HUF

Netto price: 78.411 HUF

Description

The Sitness 10 is a height-adjustable swivel chair with an ergonomically designed seat and a tiltable backrest. The patented Body-Balance-Tec® mechanism enables the seat surface to move uniquely in three dimensions, which strengthens the back muscles. The Sitness 10 office chair comes with a chrome base and castors suitable for carpeted floors. The price includes the height-adjustable armrest.
