Description

The Sitness 15 is a swivel chair with adjustable height, ergonomically designed seat (Orthoseat®), and mesh backrest, featuring adjustable height armrests. The height and tilt angle of the backrest are also adjustable. The color of the mesh fabric on the backrest matches the seat color (for fabrics G03, G04, G05, G08, G09, G20, G21). For other seat fabrics, the backrest is black. The patented Body-Balance-Tec® mechanism allows for unique, three-dimensional movement of the seat surface, which strengthens the back muscles. The Sitness 15 swivel chair is supplied with a chrome base and castors suitable for carpeted floors. The price includes the height-adjustable armrests.
