Description

The Sitness 15 is a height-adjustable swivel chair with an ergonomically designed seat (Orthoseat®) and mesh backrest, featuring height-adjustable armrests. The height and tilt angle of the backrest are also adjustable. The color of the mesh fabric on the backrest matches the seat color (for fabrics G03, G04, G05, G08, G09, G20, G21). For other seat fabrics, the backrest is black. The patented Body-Balance-Tec® mechanism allows for the unique, three-dimensional movement of the seat surface, which strengthens the back muscles. The Sitness 15 swivel chair comes with a chrome base and castors suitable for carpeted floors. The price includes the height-adjustable armrests.
