

Sitness 4D office chair, grey

Backless "floating" swivel chair

Product code: SIT40 MU3

217.717 HUF

Netto price: 171.431 HUF

Description

The Sitness 4D seat and body can be rotated 360 degrees, both under load and without load. The unique technology of almost free-floating springs provides an unprecedented floating sitting experience, allowing you to swing in four dimensions.

This activates the back muscles while sitting and automatically ensures an upright sitting position. Healthy sitting on the Sitness 4D is not only healthy, but also fun.
