

Sitness Bob swivel chair, light brown

Provides three-dimensional motion height-adjustable seat

Product code: SU43 BR2

63.529 HUF

Netto price: 50.023 HUF

Description

The movement of the Sitness Bob 3D is ensured by a wheel tire made of a special TPU (thermoplastic polyurethane) material under the polished aluminum base. The sole is white. 3D movement strengthens the spine, which can prevent back and spine problems. Seat height of the Sitness Bob: 44-57 cm.
