Description

The TEC 11 is a typical industrial work chair with a plywood seat and backrest. The tilting backrest is height-adjustable. The TEC 11 work chair is supplied with a shiny aluminium leg star. The swivel chair is also available in an elevated version (with a seat height of 59-84 cm), with an extended gas spring and footrest. In the elevated version, the industrial work chair is supplied with a fixed base. The price refers to the standard height version.
