Description

The TEC 40 is a typical industrial work chair with a durable polyurethane seat and backrest. The tilting backrest is height-adjustable. The TEC 40 work chair is supplied with a black reinforced plastic leg star. The swivel chair is also available in an elevated version (with a seat height of 59-84 cm), with an extended gas spring and footrest. In the elevated version, the industrial work chair is supplied with a fixed base. The price refers to the standard height version with a black leg star.
