Description

The TEC 50 is a typical industrial work chair with an upholstered seat and backrest. The work chair can be chosen with a G cat. fabric cover or faux leather upholstery. The tilting backrest is height-adjustable. The TEC 50 work chair is supplied with a black reinforced plastic leg star. The swivel chair is also available in an elevated version (with a seat height of 59-84 cm), with an extended gas spring and footrest. In the elevated version, the industrial work chair is supplied with a fixed base. The price refers to the standard height version, with a black leg star, G cat. fabric.
